Dear Sirs,

S. S. "ASIA ENTERPRISES".

Further to my cable of the 28th November, and in reply to your letter of the 25th October, I have to say that a notation of Mod. S.S. 9,66, (4 months) has been assigned, and that for the full Special Survey notation, the repairs etc., as recommended by the Rotterdam Surveyors in their Report 64236, a copy of which is enclosed, require to be dealt with and all items require to be examined and tested.

I also enclose a copy of a letter dated the 4th November received from the Rotterdam Surveyors and would draw your special attention to the last paragraph. 

A list of the outstanding machinery items is also enclosed.

I may add that a Short Term Loadline Certificate, valid until the 31st January, 1967 was issued by the Rotterdam Surveyors on the 28th September last, and is now on board.

Yours faithfully,

cc'd

Classification Manager.

The Surveyors,
HONG KONG.
