Dear Sir,

" ASIA ENTERPRISES " Rot. rpt. 64236

In reply to your letter of the 22nd instant it is confirmed that the tanks and spaces were all examined, and repairs required to place vessel in a fit condition for the period of the modified Special Survey carried out. //

The not-detailed repairs listed can definitely not be regarded as a specification, When pipe casings etc. will have been extensively removed, full cleaning and scaling will have been done, other repairs or renewals may appear to be required.

The list in the report has mainly been given for guidance.

A new report 8(a) has been prepared and is sent herewith.

Yours faithfully,

The Secretary,
LONDON
