Dear Sirs,

Steamship "ASIA ENTERPRISES"

Before your Report No.64236 receives the consideration of the Committee, it is concluded that the tanks and spaces were all examined and repairs carried out for the period of the modified Special Survey, and that no repairs other than listed will be required for the full Special Survey notation, but your confirmation is desired.

Your Report 8 (A) cannot be traced as having been received and should be forwarded with your reply.

An early reply is desired.

I acknowledge receipt of your letter dated the 4th November, the contents of which have been noted.

Yours faithfully,

pro Classification Manager.

The Surveyors,
