Dear Sir,

"ASIA ENTERPRISES"

The Owners of the above ship inform us that a modified Special Survey was carried out at Rotterdam in August/September of this year. They are now considering having the full survey carried out here and we would be obliged if you would kindly forward to us full details of the requirements to complete the Survey.

In order to anticipate the Owners' possible enquiry we would be obliged if you could advise us if any extension could be granted of the existing modified Special Survey.

Yours faithfully,

E.L. Green
