12th July, 1966.

The Secretary,
Lloyd's Register of Shipping,
LONDON.

Dear Sir,

S.S. "ASIA ENTERPRISES"

The Owners of the above ship write to us
as follows :-

" The above steamer is expected to discharge
her copra cargo at the final destination of Rotterdam
on/about end of July, 1966.

In view of her present survey position,
we have arranged with our agents, Messrs. Vinke
& Co., of Rotterdam to place the vessel on drydock
upon completion and have the outstanding recommendations
carried out.

However, due to circumstances, we could not
have her reclassified in Europe perhaps you could
consider to grant her a provisional certificate
with cargo for one voyage to Far East subject of
course, your approval of her general conditions
on examination. She will be reclassified here.

We are also seeking your authority to place
her on continuous running basis which will facilitate
us to a great extent for maintenance.

Looking forward to hearing from you. "

Yours faithfully,

E.L. Green
