NAB/DET

Dear Sirs,

## S.S. "ASIA ENTERPRISES"

With reference to the Special Survey, due at the end of May last, postponement of which until the end of the present month approved, the Committee have agreed to this inspection being further postponed until June provided the vessel is generally inspected and found satisfactory at Singapore.

The report on the General inspection has not been received in this Office but the Owners state the Special Survey will be completed at your port about the end of the present month and I shall be glad if you will give the case the necessary attention in due course.

The Special Survey of the hull has been commenced by the examination of the fore and aft peak tanks, Nos.2, 3, 4 and 5 holds, hand pump and suction and chain cable.

To complete the Engine Survey, all items are outstanding except the following:-

- Thrust shaft
- Main and auxiliary condensers
- Attached air pump
- Independent circulating pump
- Port and starboard independent feed pump
- Feed heaters
- Ballast pump
- General service pump
