22nd July, 1965.

Dear Sirs,

S.S. "SHAUKIWAN".

With reference to my letter of the 14th June, addressed to the Owners, a copy of which was forwarded to you, I shall be glad to learn what early and definite arrangements have been made to carry out the required General Examination and complete the long overdue Main Boiler Survey, due in fact at the end of August, 1963, by the survey of the items detailed in my communication dated the 22nd *April* June, 1965.

As the case will again require to be reported to the Committee in the near future for consideration with regard to the completion of the Boiler Survey, it will be appreciated if you will let me have your reply at an early date.

The machinery class is at present continued subject as stated in the Special Reasons List No.238.

Yours faithfully,

The Surveyors,
HONG KONG.

Clerk to the
Classification Committee.
