Dear Sirs,

s.s. "SHAUKIWAN".

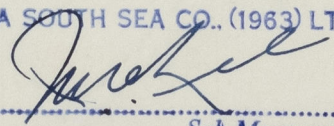

We thank you for your letter of 22nd April, 1965. In reply we are pleased to inform you that the Main Boilers Survey was completed at Kobe on 11th November, 1964. Enclosed herewith please find photostat copy of the cable from the Repairers DOCKYARDFUJI, which is self explanatory. In this connection, we are writing to the Lloyd's Register of Shipping in Kobe for a Certificate to be issued.

In connection with the Special Survey which will become due at the end of May, we take pleasure to apply for a grace period of one year. As advancement on Continuous Survey of Machinery had carried out during the docking of vessel in Osaka last November, we will be much obliged if you will kindly approve our application of the extension for one year grace.

By the way, pleased be informed that the Annual Loadline Survey is extended until July or August next and has been duly approved by your good office.

Thanking you in anticipation.

Yours faithfully,  
for CHINA SOUTH SEA CO., (1963) LTD.
