Dear Sirs,

S.S. "SHAUKIWAN"

With reference to my letter of the 22nd and your reply dated the 27th February, I shall be glad to learn for the early information of the Committee what is the present position regarding the completion of the Main Boiler Survey, due so long ago as August 1964, by the survey of the items detailed in my communication.

It will also be appreciated if you will advise me as to your intentions regarding the Special Survey which will become due at the end of May.

In accordance with the Society's amended Rules a Steampipe Survey will require to be held in conjunction with the Special Survey.

Yours faithfully,
