Dear Sirs,

S.S. "SHAUKIWAN"

With reference to the Classification in the Society's Register Book, I would inform you that the Machinery class of this vessel is at the present subject to the following items being dealt with by the end of this month, and I shall be glad to learn what arrangements are proposed to be made regarding this matter:-

1. Steam cylinder of G.S.^{ump.} being examined by the end of this month.
2. Screwshaft at top of cone (defect removed) being re-examined and dealt with as necessary by the next drydocking and by the end of this month.

The Main Boiler Survey will also become due at the end of this month, and your intentions regarding this inspection will be appreciated.

It will also be appreciated if you will forward a copy of your reply to the Society's local Surveyors.

Yours faithfully,

C.C. H.Kg.
