27th November, 1965

Dear Sir,

"ADELPHOS PETRAKIS" - Kiel Report No. 4051

In reply to your Classing letter of 25th instant in respect of the above ship we have to confirm that the bulwark plating and stays abreast No. 3 Cargo Hatch continue efficient.

Our omission with regard to the SRL-Appendix item is regretted and we trust that no undue inconvenience has been occasioned in this instance.

Yours faithfully,
The Surveyors,
Per: -

The report
and as stated that no other insouciance was seen occasioned in the
only omission with regard to the SHI-Abberly item is referred
highlighting and state regard to. It seems rather strange
members of the House should be so ignorant of the
in regard to the SHI-Abberly item. Letter of SHI-Abberly in
