

S/S.

S/S 'NUÑEZ DE BALBOA'

We duly received your letter of 3rd ultimo enclosing copy of letter received by you from L.R.

In reply thereto, we inform you that this vessel is at present on a voyage from Houston to Brazil, via Suracao, and thereafter she will require to load a cargo either in Brazil or the Plate for Continent or Spain. It is our intention to carry out the special survey in BILBAO, once the voyages indicated have been completed, which we estimate will be towards the end of July.

Will you please approach L.R. with a view to postponing the survey until this date.

Awaiting the favour of your reply,
