49 LEADENHALL STREET, LONDON, E.C.3

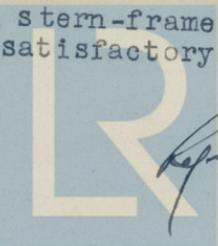

April 20, 1949.

MR. P. W. MASON

S.S. "TID 5"

Please note that we have today received communication from Mr. K. W. Balfour, (previously a non-Executive Surveyor to this Society) that on 17th January 1st he visited this ship and carried out a working survey at Messrs. Everards' Slipway, Whithe, Kent.

The condition of the Hull, stern-frame, rudder and sea inlets is stated to be satisfactory.
