Dear Sirs,

I acknowledge the receipt of your letter of the 23rd instant enclosing a Drilling Sheet in respect of the Steamer "CASTILLO MONJUICH", and have to inform you that these results are in order and will be approved.

I enclose a Sheet of the thicknesses of the plating prepared from the first entry report for your information, which I shall be glad if you will return in due course duly completed, as it appears from the drilling sheet forwarded with your letter that there is an additional strake of plating fitted in the vessel.

I shall also be glad if you will state whether the drilled plates in I. and J. strakes showing appreciable deterioration are included in the total number of plates stated to have been renewed.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
BILBAO.
