

"CASTILLO MONJUICH."

The List of shell thicknesses attached has been examined and is recommended for approval.

IT IS FURTHER SUBMITTED the sheet of thicknesses of plating herewith prepared from the First Entry Report be forwarded to the BILBAO Surveyors for their information, *and return duly completed* as it appears from the drilling sheet forwarded with their letter of the 23rd instant that there is an additional strake of plating fitted in the vessel.

The Surveyors should also be requested to state whether the drilled plates in "I" and "J" strakes showing appreciable deterioration are included in the total number of plates stated to have been renewed.

*See letter
dated 1.9.57.*
