20th July, 1951.

Dear Sirs,

Assn.
(H)
I am in receipt of your letter of the 12th instant respecting the Steamer "CASTILLO MONTJUICH" and regret to find that you were not advised of the requirements in regard to the Reclassification of this vessel.

I now enclose a statement which has been prepared in this Office in regard to the case and shall be glad if you will be guided accordingly.

I have to add that a complete Special Survey of the machinery and boilers should also be carried out, including the electrical equipment and testing of the steam pipes; the screwshaft should be drawn and examined.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

BILBAO.
