Dear Sirs.

re of Adelphia.

re Mr. Tignor.

Parsons. No. 5 Turbine Engine

I called on board today. Examined the
Motor of 2 1/2 p Turbine - The thrust pads
adjusted; I found no evidence of damage
Mr. Parsons informed me that they had
removed all the old white metal out of the
thrust-housing, cavity - The vessel is to sail
tomorrow -

Yours truly
Richard A. Shelleross
