95, Bothwell Street, GLASGOW, C.2.

25th October, 1943.

Dear Sir,

I beg to acknowledge the receipt of your letter of the 20th instant regarding Glasgow Report No. 67272 on the engines and boilers made by Messrs. David Rowan & Co., Ltd. for the new steamer "BRIGHTON", and in reply thereto have to state that the Surveyor confirms that this vessel is not fitted with superheaters.

At the same time he regrets that the statement on the First Entry Report of the boilers gave rise to the impression that superheaters were fitted in this vessel.

I am, Dear Sir,
Yours faithfully,

The Secretary,
WOKINGHAM.
