Dear Sirs,

E.

With reference to your First Entry Report No.27252 on the motorship "GUIDESMAN", Messrs. N.V. Ind. Maats. "De Noord" Yard No.571, I have to inform you it is noted from the report on the electrical equipment that you have recommended a special condition to the vessel's class.

In this connection I have to refer you to my letter of the 10th May last regarding alterations to the pumping arrangements in the forward cofferdam, and have to state it is not understood why the necessary alteration was not made before the vessel was completed, and I have to request you will let me know whether any arrangements have been made for this matter to be dealt with.

I am, Dear Sirs,

Yours faithfully,

Secretary.
