Dear Sirs,

5th December, 1957

Steamer "NIKITAS K"

Dear Sirs,

Steamer "NIKITAS K"

I have to acknowledge receipt of your letter of the 25th ultimo, and in reply to inform you that the arrangements proposed by the Owners for carrying out the Confirmatory Survey required in this case are agreed in principle. It is suggested, therefore, that you advise this office in due course when definite arrangements have been made so that the necessary instructions may be issued to the Surveyor.

I would confirm that a report has been received regarding the fitting of an additional communicating valve on the after bulkhead with an extension spindle, and a report is awaited in due course on the remaining item referred to in the last paragraph of your letter.

Yours faithfully,

Assistant Clerk to the
Classification Committee
