LLOYD'S REGISTER OF SHIPPING

Port DUNDEE.

Date 17th March, 1966.

This is to Certify *that I have*

surveyed the S.S. "SAPINA-E-JAMHOORIYA" Gross tons 6806, of KARACHI, on the 4th March, 1966 and subsequently as she lay afloat at Dundee on account of DAMAGE stated sustained whilst dragging anchor in the River Tay during strong winds and rough seas on the 27th February, 1966 and EQUIPMENT

and that I am transmitting to the Committee of Lloyd's Register of Shipping, London, a report, stating that all repairs recommended by me have been completed to my satisfaction, also that I am recommending that she be continued as now classed without fresh record of dry-docking, subject to 15 fathoms of chain cable, starboard side being supplied and fitted at the earliest opportunity, to first 45 fathoms of chain cable starboard side being specially examined and tested by the next Special Survey and to any other conditions at present attached thereto being dealt with as previously recommended.

T. C. Marshall

Surveyor to Lloyd's Register of Shipping
(T. C. MARSHALL.)
