Ship's name 'SAFINA - E. JAHMOORIYAT'

Port CHG.

No. 520

Last survey date 12.12.63.

Class is subject to (1) Outboard main feed Pump water end being specially examined by 5/64 (12 months)  
(2) Forced Draft fan engine remote control being ~~examined~~ tested before completion of MBS.

Item (2) above, F.D. fan engine remote control, now dealt with and to be deleted.

MBS due 3/63 - Commenced 5/63 - now completed.

*It is submitted that this vessel is eligible for THE RECORD.* MBS. 5/63 now subject to above item (1) re. outboard main feed pump and without condition re. F.D. fan engine Control.

CHG. Surveyor may be advised that a letter has been received from the Owners stating that they intend to operate on ~~delugated~~ steam only thus eliminating the superheater elements completely. As there is no objection to this, the Surveyor should be requested to issue an amended certificate recommending fresh record of MBS 5/63 now (as previously recommended) without any mention of Superheater elements etc.
