Engineer Surveyor

Received from Chief Engineer Surveyor

"KELLETTIA"

REPORT

H.Kg. No. 11633.

The Chief Engineer Surveyor are desired on this case for the consideration of the Classing Committee.

Endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and pointing out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

SPECIAL SURVEY OF ENGINES AND/OR BOILERS PARTLY HELD.

due 11.55 , partly held as a CS now further advanced.
due 10.53 now held.

~~now advanced~~ and the following repairs effected (due to wear and tear):-
forward bracket made for the main camshaft driving wheel.

It is proposed to complete the survey as a CS.

It is submitted that this proposal merits approval and the vessel is to remain as classed, and WILL BE eligible for the record (date) when the survey has been completed, DBS 8.53 now.

Following remains to be done to complete the Survey

For CS - See form 7E.
