Dear Sirs, Nos. 1357, 9, 61 Ships.

With reference to the provisional freeboard assigned for  
with  
the above vessels we note that/the erections as on our plans, we  
will come somewhat short of the draft required, namely 25'-7"  
olded.

To overcome this, we have amended our design and we have  
considerably increased the length of the forecastle. We enclose  
herewith amended statement of freeboard particulars, and we shall  
be glad if you will let us know what draft can be assigned under  
these conditions.

Yours faithfully,

for Swan, Hunter, & Wigham Richardson, Ltd.,
