# Lloyd's Register of Shipping,

Port D U R B A N .

10th March, 1952.

This is to Certify that I have  
Part  
Surveyed the Boiler and/Machinery of the Steam Whaler  
"CHARLES WHYTOCK", 223 tons gross of Durban, whilst lying  
afloat and in drydock.

and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection therewith have  
been carried out to my satisfaction, and that I have  
Recommended that the record of Tailshaft now seen

C.L. (N) 3,52

be made in the Register Book in the case of this vessel, and  
B.S. 3,52 when the boiler has been examined under steam and  
it's safety valves adjusted.

(Signed) P.F.H. BREBNER.

Engineer Surveyor to Lloyd's Register

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
