Ship's Name ex REMBRANDTOfficial No. 168048

Memorandum of alterations reported since ship was surveyed for assignment of Load Lines in

This vessel has now been converted to Oil Fuel, similar in every respect to "RIBERA."

The Bulkhead saddle-back sides have been plated over, the hatch on the casing top has been fitted with gratings and storm covers, and the sloping saddle-back plating has been perforated to give additional ventilation to the stokehold.

All air pipes to oil fuel compartments are fitted with granges.
