~~Engine No.~~

M.V. "OAKMORE" EX. EMPIRE KENT

It is submitted ~~the~~ the ~~Surveyors~~ Surveyors be informed that the plans of piping arrangements in the machinery space have been examined and whilst the arrangements shown thereon appear to be generally in order, no sizes of pipes are stated either on the plans or in the 1" Entry Report.

Accordingly the Surveyors should be asked to furnish the following particulars and state whether the requirements of the Rules for oil fuel pipes and tank fittings have been complied with.

- ① Size of main bulge line.
- ② Size of direct bulge sections.
- ③ Size of branch bulge sections.
- ④ Size of hold bulge sections.

The Surveyors should also be asked to forward the plans of midship section and profile in order <sup>that consideration may be given to</sup> ~~to consider~~ the sizes of the hold bulge sections.

Return plan.

Retain plans copy.
