Dear Mr. Campbell,

I think it well to enclose herewith for your information, copy of a letter dated the 22nd November last received from the Society's Surveyors at Vancouver calling attention to a mistake which occurred during the installation of the piping connections to No.3 deep tank of the Canadian-built steamers "FORT HALL", "FORT CLATSOP" and "FORT COLVILLE". I also enclose a copy of a letter addressed to the Managers of these three vessels asking that the defect should be remedied as opportunity offers.

A copy of the sketch referred to in the letter to the Owners is also enclosed.

I am, Dear Sir,
Yours faithfully,

Mungo Campbell, Esq.,
Ship Repairs Division,
Ministry of War Transport,
Berkeley Square, House,
Berkeley Square,
LONDON, W.1.

Clerk to the
Classification Committee.
