LLOYD'S REGISTER OF SHIPPING

Port Baltimore, Md.

Date April 6, 1965

This is to Certify *that I have surveyed the S/S "AL HUSAINI" 7157 Gross tons of KARACHI while the vessel lay afloat at Baltimore, Md. on the 18th March, 1965 and subsequently for fractures in the port and starboard side shell (G Strake) in way of the No. 5 cargo hold stated to have been caused by heavy weather on and between the dates February 12th and 28th, 1965 during a voyage from Antwerp to Baltimore in loaded condition.*

and that I am transmitting to the Committee of Lloyd's Register of Shipping, London, a report, stating that all temporary repairs recommended by me have been completed to my satisfaction, also that I am recommending that she be continued as now classed without fresh record of drydocking, subject to permanent repairs being effected to the port and starboard G2 and port G3 shell plates at the next drydocking and to all other conditions at present attached to the vessel's class being dealt with as previously recommended.

E. Flynn

Surveyor to Lloyd's Register of Shipping
