I have surveyed the above-named ship in accordance with the Rules for Part SS and Condition of Class survey.

Now DonePart SS :

105 fathoms chain cable now renewed.

To Complete SS :

Deep tanks (P & S) to be tested.

Condition of Class (SRL No.245):

105 fms.(used stud link chain cables)now renewed. After fitted chain cables the windlass examined under working condition and found satisfactory. It is submitted that this item no longer constitutes a condition of class and be deleted from SRL.

Note :

The Master stated that the deep tank survey will be held at Hong Kong to which port the vessel is now proceeding direct.

The items now surveyed are detailed on this report. All were found or placed in good condition unless otherwise stated. I recommend, therefore, that this ship remain as classed with/~~without fresh record of dry docking~~ notation of SS with date when the survey has been completed, subject to any outstanding condition of class being dealt with as previously recommended but without condition of class regarding 105 fms. chain cable.

(Where conditions of class are recommended to be retained, imposed, amended or deleted, particulars must be stated above and on the interim certificate.)
