Dear Sirs,

S.S. "BLUE MARLIN"

With reference to your letter of the 18th instant, it is noted that it is by no means certain that this vessel will proceed to Japan after discharge at Colombo and that you will inform this Office directly the final destination is known.

It is concluded, however, that the replacing of the equipment and testing of the deep tank will be dealt with by November as agreed in my letter of the 13th instant.

Yours faithfully,

Assistant Clerk to the
