Dear Sirs,

S.S. "BLUE MARLIN"

In reply to your letter of the 25th July I am pleased to inform you that the Committee are agreeable to a General Examination being held at Sakurajama shortly with a view to the postponement of the Special Survey until sometime before the end of May 1965. I note that the Main Boiler Survey, including the replacement of the port boiler, will be dealt with at the same time as the General Examination.

Yours faithfully,
