Dear Sir:

Re: s/s "BLUE MARLIN" ex "ANTHONY"

We wish to advise that we are the Managing Agents of the above-named vessel, which was purchased on December 6, 1963 by the Blue Shark Steamship Co. (S.A.), c/o Arias, Fabrega & Fabrega, Arcia Bldg., Justo Arosemena Ave., Panama, R. P. The vessel is currently under Panama registry.

Our records are incomplete and as it is our intention to maintain her present classification, Lloyds 100 A1, we would be pleased to receive a list of outstanding survey items with respect to hull, engine, boilers, etc.

LSA survey was carried out by Lloyds surveyor, Hong Kong on behalf of the Panama government and a short term certificate was issued.

We shall appreciate receiving at the earliest the permanent certificate together with the current record of the vessel's equipment.

Yours faithfully,

PHILIPPINE MERCHANTS STEAMSHIP CO., INC.
