We are in receipt of your letter of the 20th. July last which has just come to hand enclosing copies of the Manchester Report No. 12233 regarding engine Nos. 3877 & 3878. It is not quite clear what particulars are required to be obtained by us in connection with Notice 1803.

There is no apparatus available at Lisbon to take torsio-graph readings should this be required.

We are, Dear Sir,

Yours faithfully

The Secretary.
