

Memo Cia União Fabril Yd No 117.

"Auxiliary oil engines  
driving dynamos."

Submitted the report to be forwarded to the Lio Surveyors  
and their attention drawn to the Secy's letter 13.6.45  
enclosing one from the Surveyors regarding the  
requirements of Notice 1803. It should be again  
pointed out that as these engines are being fitted  
in a vessel intended for Classification the particulars  
required by this notice should be forwarded for  
Consideration.
