

WOKINGHAM COPY.

29th November 1944

B.O. Dear Sirs,

Cia Uniao Fabiel Yard No.117 & 118

I duly received your First Entry Reports Nos.12020 & 12027 on Messrs. Mirrlees Bickerton & Day Ltd's Engine No.5881/42 & 5882/42 respectively in connection with the above vessels, but before this case receives consideration, I shall be glad if you will confirm that the particulars of the flywheel are in accordance with the Secretary's letter dated 4.7.44.

With regard to the screw and intermediate shafting it is concluded that these have been made with the particulars given in the above letter and should they have been made in your district the Forging Report should be forwarded.

I am, Dear Sirs,  
Yours faithfully,

The Surveyors,  
MANCHESTER

Clerk to the  
Classification Committee.
