23rd November, 1943.

S.

Dear Sir,

With reference to Glasgow Report No. 67329 relating to the Refrigerating Machines built by Messrs. L. Sterne & Co. Ltd., I have to acquaint you a report has now been received from the Society's Surveyors at Newcastle from which it is noted that this machinery has now been installed on the steamer "EMPIRE FLAG" and the vessel has now been assigned a notation +Lloyd's RMC 10,43.

I am, Dear Sir,  
Yours faithfully,

The Secretary,  
GLASGOW.
