Dear Sirs,

m.s. "NAYADIS"

We thank you for your letter of 2nd November, 1960, informing us that the above vessel is to be laid up from the middle of this month for an indefinite period. No doubt you will arrange for the Main Engine Nos. 4 & 5 journals and coupling flanges and the Main Engine scavenge blower top half casing to be re-examined before the vessel is again put into service, in lieu of the examination of these items which became due this month.

Yours faithfully,

FOR THE SURVEYORS.

c.c. The Secretary,
London.
