# LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

71, Fenchurch Street, E.C.3

Reference Fbd.

13th April, 1955

Dear Sirs,

"NEELAMBU"

With reference to your report No. 16475 I have to acquaint you that there is some doubt in this Office regarding the correct registered length.

The official return gives this length as 165ft., but the Madras Surveyor reported in November, 1951 and the plans confirm that the overall length is 165.8ft.

As it is necessary to enter the registered length in the First Entry classification certificate, I shall be glad if you will check this figure with the Authorities and advise me of their decision.

Yours faithfully,

pro Secretary.

The Surveyors,  
CALCUTTA.
