Dear Mr. Sladden,

I have to acknowledge receipt of your letter regarding the tests on Anchor and Cables on Basset type trawlers in India and I will certainly try to get you some information from the Dockyard.

It would be a very great help if you could give me some idea of the diameter and length of cable, as I understand a certain amount of American Cable was handled in the Stores Department at Portsmouth.

With kindest regards,
Yours sincerely,

J. Nicholas.
