Yard No.

Engine No.

L.M.S. "CALCUTTA" Ex BASSET CLASS TRAWLER

It is submitted that photostat copies of HULL 1st Entry Report No 51732
Engines & Boiler be forwarded to the Calcutta Surveyors who should be informed that
if the machinery be opened up for examination as required by the Rules for
Periodical Survey and found or placed in good condition, the alterations be carried out
to Surveyor's satisfaction and the machinery be tried under working conditions & found in order,
it could be accepted and recommended for the notation of ∇ L.M.S. (with date).
It is not necessary to furnish a 1st Entry report for the machinery.
It is noted that sketches showing alterations to the pumping arrangements
electrical equipment will be forwarded for consideration in due course.
