## Ex. H.M.I.S. "CALCUTTA"

I am in receipt of your letter dated 18th ultimo and thank  
you for the same. It is true that the vessel will dry docked in  
the Port Trust Drydock and Scindia's are the probable contractors.

I have met Mr. T.S. Fatkin, and discussed in detail most of  
the aspects, and am ready to furnish you whatever other information  
required.

I have enclosed herewith both the request forms sent by you  
duly filled up, the receipt of which please acknowledge.

Regarding the makers name of the boiler, we find James Howden  
& Co., Ltd., Glasgow, on the furnace doors, and I presume they are the  
manufacturers.

Thanking you meanwhile.
