31st October 1949.

Dear Sirs,

H.M.I.S. "CALCUTTA".

We are in receipt of your further letter of 20th inst. in the case of the above vessel and note contents.

We have been in communication with Messrs. Hooghly Docking & Engineering Co, who confirm having built this vessel, but we have to advise you that the vessel was not built under survey by the Society's Surveyors to this Society though the engines and boilers may have been.

Therefore, the requirements of our letter attached dated 26th October, still hold.

We shall also require plans of any alterations which have been or may require to be made to this vessel to fit her for her new trade.

Yours faithfully,

SD/-R.E.P.
