Copy of letter from Andhra Trading Co, Bezwada,
dated 17th October 1949, to Lloyds Register of
Shipping, Calcutta.

Sirs,

Since I want get my ship H.M.I.S. 'Calcutta' classified by you and load line certificate obtained from you, I request you to inform me the exact procedure, I have to follow in this connection.

This ship is purchased by me from the Disposals Department of Government of India, and I want to use it for commercial purpose (Cargo transport). Since it was built for Government, I am unable to furnish you, as the present owner, the process of Manufacture and testing of the materials of construction, but I can furnish you with other information required regarding its machinery and plans.

This is small ship of 164 ft length, 27 ft breadth, 14 ft draft, 770 tons displacement and 440 tons gross capacity. Awaiting your esteemed reply.

Yours faithfully,
