Lloyd's Register of Shipping,

Enclosure.

21st July, 1930.

Dear Sir,

S.

I duly received your letter of the 14th instant, enclosing one, dated 24th April 1929, received by you from the Builders of the Steamer "WIRGO".

It is noted from your letter that, hitherto, Special Survey request forms have not been used at your port, and in the circumstances, I enclose herewith a book of the same, and shall be glad if you will kindly arrange for the Builders to sign a request form in every case in which a survey during construction is desired.

These forms should of course be forwarded to this Office after signature by the Builders.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

A. Isakson, Esq.,
STOCKHOLM.
