# LLOYD'S REGISTER OF SHIPPING

Port of Piraeus,

6th October, 1960.

This is to Certify that

C. Philippou

the undersigned Surveyor to this Society did at the request of the Owners' Representative attend on board the S.S. "MANDO" ~~752xxxxxxx~~ of Piraeus, whilst lying afloat at Piraeus, on the 5th October, 1960, for the purpose of witnessing a test on the 3 ton cargo derricks at Nos. 1, 2 & 3 hatches port and stbd.

The cargo derricks were placed in a position of 45° to the horizontal for this test, an overload of 25% was applied to the derricks during which time the behaviour of the derricks and accessory gear was satisfactory.

In the opinion of the undersigned the above derricks and gear are suitable for the safe working load, as marked on derricks.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
