6628 "ERIK BANCK" - As recommended.

I shall be glad to receive your confirmation that the propeller which was removed from the ship was of cast iron, as according to the records in this Office a steel propeller was fitted.

6626 "IASON" - The contents of your report have been noted, but as information has been received to the effect that the ship foundered last month, the notation "Foundered 3,55" has been entered against the ship's name in the Register Book.
