D.O.

Dear Sirs,

28th May, 1943

With reference to Manchester Report No. 11486 on Messrs. Buckley & Taylor's engine No. B.1349, which was sent to you on the 21st instant, as it was understood this engine was to be installed in Messrs. J. Crown & Sons Ltd's No. J2697. I am now in receipt of a letter from the Hull Surveyors requesting the report on Messrs. Buckley & Taylor's engine No. 1349 (without a B.) which is intended for Messrs. Cook, Welton & Gemmell's Yard No. 709, H.M.T. "BLACKBIRD", and should this be the same engine I shall be obliged if you will forward to the Hull Surveyors the Manchester Report in question. Alternatively, perhaps you will kindly state whether you can confirm that engine No. B.1349 is intended for a vessel built by Messrs. J. Crown & Sons. Ltd.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
SUNDERLAND

Clerk to the
Classification Committee.
