Dear Mr. Algate,

Referring to your phone call of Friday last concerning the Load Line Certificate of the above ship we just managed in time to get into touch with the Dutch Authorities.

They have sent a telex to the Dutch Embassy in London, authorising them to extend the validity of the certificate till 31st December, 1961.

We also contacted Messrs. Holland-Amerika Lijn who were informing the Master of the ship.

Thank you for your attention in this matter.

With kind regards,

Yours faithfully,

C.F. Algate, Esq.,
LONDON.

Mr. Puckle
