Enclosure.

8th July, 1929.

Dear Sirs,

I have to send herewith for your information and guidance in completing the survey, the London first entry report on the refrigerating machines built by Messrs. J. & E. Hall, Ltd. for Messrs. Wilton's Engineering & Slipway Co's No. 318 vessel, and shall be glad if you will kindly give the case the necessary attention.

I have to add that the proportion of the fee for the survey of the machinery at the makers' works is £6.0.0, in addition to expenses of 15s.11d, and these amounts should be included in your account to the Builders on completion of the survey.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

ROTTERDAM.

Secretary.
